LOCAL FIBRE
CREATIVITY. CONNECTION. COMMUNITY.

OUR PROGRAMME

Sewing Machine Repair Programme

We give unused sewing machines a second life. Donated machines are serviced and rehomed with people and community groups who will use them, keeping them out of landfill and putting a valuable skill within reach.

HOW IT WORKS

From cupboard to community

1

Donate

Give an unused sewing machine a second life.

Instead of sitting in a cupboard or heading to landfill, your machine goes back to work.

2

Service & repair

Machines are cleaned, checked and repaired.

Each one is logged with its details and photos, so we know its history.

3

Rehome

Ready machines go to people & community groups.

Matched in order from our waiting list and collected from West Auckland.

WHO IT HELPS

Anyone can apply

For yourself, or on behalf of a community group or organisation.

- Machines are matched in the order people applied
- Priority for people in or near West Auckland
- For mending, learning or making for your whānau

Have a machine you no longer use?

Donate it, and we'll make sure it gets back into a maker's hands.
